TESTIMONIES – United Kingdom

- John was recently released from prison after 44 years of a life sentence. He wrote to us about becoming aware of Derek's teaching through listening to a Christian broadcast and connecting with our prison ministry via his chaplain at the time. *"I have sought to encourage other Christians to send for Derek's Spirit-filled teaching, wanting them to be blessed and grow in their walk and faith with the Lord as I have. I pray my letter may encourage you in all that the Lord is doing through the ministry of Inside Outreach, helping me and many other prisoners grow. It is also preparing us for any work or ministry the Lord may have for us on release. Derek's legacy of teaching lives on, bringing growth in the lives of thousands and perhaps even more as it is doing in my own life. Praise God!"*
- In a recent Outreach Report we sent out, Pastor PK from South India shared about the impact of Derek's teaching, saying: *"When the second wave of Covid swept through India it seemed that all we had learnt from the Bible and our Bible college days was thrown into question because our praying didn't stop the pandemic or the deaths of many loved ones. But you helped us by bringing to us Derek Prince's teaching on declaring the power of the blood. Thanks to this teaching we saw a change in our personal circumstances and in the lives of many believers."*

One of our donors responded saying: *"Thank you very much for sharing the message from India. I was in a similar situation when Covid started in England early in 2020. Thank God I was prepared because I had been reading through the prayers and proclamations book by Derek Prince on applying Scriptures to situations and I was able to proclaim the Scriptures when I had Covid."*

She is now totally delivered and loves God, saying, *"I want to serve God; I feel my life now is full of joy and I feel stronger than ever before."*
